

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 263 - HB 347

February 9, 2015

SUMMARY OF BILL: Extends the termination date of the Beef Promotion Board (Board) to June 30, 2021. Under the *Tennessee Governmental Entity Review Law*, the Board is scheduled to terminate on June 30, 2015.

Requires each department, commission, board, agency, or council of state government created during calendar year 2019 to terminate on June 30, 2021. Specifies that any such governmental entity that is terminated may be continued, reestablished, or restructured.

Authorizes, instead of requires, Board vacancies to be filled from persons nominated by organizations represented on the Board of Directors of the Tennessee Beef Industry Council and in the same representation ratios.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – To the extent a governmental entity is not continued in the future, or the funding level is changed in the future for an entity that is continued, reestablished, or restructured, the fiscal impact is considered indeterminable because such impact(s) are dependent upon unknown factors. Otherwise, the fiscal impact for this bill is considered not significant.

Assumptions:

- One of the provisions of this bill continues the Beef Promotion Board at its current funding level. As a result, this provision will have no fiscal impact on state government.
- According to the Department of Agriculture, expenditures were \$1,056.16 in FY12-13. The Board incurred no expenditures in FY13-14.
- The fiscal impact relative to any governmental entity that will be terminated on June 30, 2021, under the provisions of this bill, is dependent upon whether any such terminated entity will be continued, reestablished, or restructured, and the funding level for which it is continued, reestablished, or restructured. To the extent an entity is not continued in the future or the funding level is changed in the future for an entity that is continued, reestablished or restructured, the fiscal impact to state government is indeterminable because such impact(s) would be based on unknown factors. To the extent the terminated entities are continued, reestablished, or restructured at current funding levels, the fiscal impact to state government is estimated to be not significant.

- Expanding the groups that may submit candidates for the Committee to the Commissioner will not significantly alter the workload of the Commissioner's office when determining Board appointments. Any impact is estimated to be not significant.
